

220 CMR 108.00: CONTROL OF DRUG USE

Section 108.01: Compliance with Minimum Federal Safety Standards

108.01: Compliance with Minimum Federal Safety Standards

Each operator of pipeline facilities used for the transportation of natural gas or hazardous liquids and each operator of liquified natural gas facilities shall comply with the provisions of 49 CFR Parts 40 and 199. The Department of Public Utilities will maintain a reference file containing the aforementioned federal regulations and incorporated documents.

REGULATORY AUTHORITY

220 CMR 108.00: M.G.L. c. 164, § 105A; 49 CFR 199.
